## IAM / US AIRWAYS UPDATE

---

---

Most of our members have received the letter Al Hemmenway sent out on September 23, 2008 in regards to medical premiums. In order to clarify this letter, the Union's position is that the medical premiums in effect for 2008 will remain unchanged, until the contract is amended. The Company advised us approximately a month ago that they planned to adjust the premiums in the out years based on the previous years experience rates. Due to this dispute the Company has agreed to expedited arbitration to resolve this dispute.

Fraternally yours,
