IAM/SOUTHWEST NEGOTIATIONS UPDATE

The Union and the Company met on November 10-12, 2008 at Dallas Headquarters. We exchanged several proposals for Article 7 (Overtime) in efforts to secure coverage of the operation as well as protecting a good quality of life for all of our IAM members.

As discussions continue your negotiating committee is making every effort to secure provisions that protect rest periods and streamline the application process. This article has required an enormous amount of time and effort on the part of both parties, but our discussions will continue on this Article until it is finalized.

Our next tentative dates are scheduled for December 11 and 12, 2008.

For additional information and review of all Southwest contract proposals as well as bulletins feel free to visit the District 142 website at www.iamdl142.org.

Sincerely and fraternally,
