IAM/AIR WISCONSIN NEGOTIATIONS UPDATE

Negotiations resumed on July 14, 15 and 16 at the AWAC headquarters in Appleton, Wisconsin with all members of both committees in attendance.

There still remains disagreement between the parties with respect to economic issues. Your Union continues looking into ways to meet some of the Company's proposals while looking out for your economic interests. Progress remains slow at the table so please be patient. Your solidarity is key in obtaining an agreement that is fair and equitable to both parties.

The parties will meet again during the week of September 21, 2009 in Milwaukee, Wisconsin. Please do not listen to rumors. Your continued patience and solidarity is very much appreciated.

With best wishes we remain,

Sincerely and fraternally,

James M. Samuel Sean Ryan
