## **BRITISH AIRWAYS UPDATE**

### **TENTATIVE AGREEMENT RATIFICATION RESCHEDULED**

---

---

The tentative agreement reached August 27, 2009 was to be presented to ratification meetings which were to commence on September 8, 2009. As a result of a complaint the ratification was postponed. An investigation was conducted which led to further meetings and some additional language being added for the purpose of clarifying the tentative agreement. As a result of the clarification of language and the parties' contractual obligations, the ratification can now be rescheduled. A complete package containing all changes will be sent tomorrow October 30, 2009 to each steward for duplication and dissemination.

Ratification voting will commence the week of November 9, 2009. Watch your bulletin boards for the time and location of the ratification meetings

**The negotiating committee recommends ratification of this tentative agreement.**
