## **IAM / FLYTELE NEGOTIATIONS UPDATE**

---

---

Ratification voting took place on Monday January 12, 2009 at the Flytele Center in Jacksonville, Florida. The election tellers counted the ballots and the result was that the tentative agreement was ratified by an overwhelming majority of the voting membership.

This agreement was negotiated and ratified during very volatile economic conditions in the airline industry and throughout the world. I thank the membership for their patience and support through this whole process. I would also like to thank the negotiating committee, Jyn Picard, Dawn Crane and Vivian Cannon for their tireless work and dedication to the membership.

Sincerely and fraternally,

Sean Ryan  
GENERAL CHAIRMAN
