IAM/SOUTHWEST NEGOTIATIONS UPDATE

We last met in direct negotiations, face to face, with the company March 9 through 11, 2009 as reported in our most recent bulletin. In those meetings significant progress was achieved addressing numerous work rule provisions. Additionally, your committee presented a proposal during these meetings addressing all open economic items, however agreement could not be achieved on the proposal presented.

Since the March meetings we have continued dialog with the company on the open economic items. Based on this dialog the parties have agreed to resume meetings later this week.

We remain committed to achieving an industry leading Agreement that will provide a better quality of life and secure career for our membership.

Your continued patience and support is appreciated.

Sincerely and fraternally,

Ann Pantuso-Liu
