## **IAM / AIR WISCONSIN NEGOTIATIONS MEDIATION UPDATE**

Negotiations continued this week in Phoenix, Arizona under the auspices of NMB Mediator Victoria Gray. The Mediator again led the parties in discussions concerning the open economic issues and continues to push both parties to explore alternatives. Some progress was made at this round of talks in bridging the gap between the party's respective economic positions. An additional Tentative Agreement was reached in Article 7 (Overtime and Holidays).

Due to unforeseen circumstances beyond our control, the Union had to take an unfortunate step and cancel the June round of meetings that were to occur on the West coast. The next scheduled meeting is set for July 6, 7, 8 and 9, 2010 Chicago, Illinois. We have also agreed to meetings to be held in Las Vegas, Nevada on August 17, 18, 19 and 20.

Continue to stay engaged with what is happening in the operation and at your station and communicate about the issues that are important to you as this helps the process. We appreciate your patience and look forward to bringing these negotiations to a successful conclusion with a fair and equitable agreement. Updates and bulletins on Air Wisconsin and other District Lodge 142 activities can always be found on the World Wide Web at [WWW.IAMDL142.ORG](http://WWW.IAMDL142.ORG). With best wishes we remain,

Sincerely and fraternally,
