## **IAM / AIR WISCONSIN NEGOTIATIONS MEDIATION UPDATE**

---

---

Negotiations Resumed this week in Chicago, Illinois under the auspices NMB Mediator Victoria Gray. Your committee presented the company with a proposal that addressed many of the open economic issues and also introduced several concepts of how to approach growing the airline.

Late this week the company responded to your committee's proposal. Your committee will take the time between now and the next negotiation session set for August 16, 17, 18 and 19 in Las Vegas, Nevada to study and respond to the company at that point in time. The gap between the parties on these issues is still extremely wide, however, we hope in future sessions we can narrow that gap.

Continue to stay engaged in what is happening in the operation and at your station and communicate about the issues that are important to you as this helps the process. We appreciate your patience and look forward to bringing these negotiations to a successful conclusion with a fair and equitable agreement. Updates and bulletins on Air Wisconsin and other District Lodge 142 activities can always be found on the World Wide Web at [WWW.IAMDL142.ORG](http://WWW.IAMDL142.ORG)

With best wishes we remain,

Sincerely and fraternally,
