## **IAM /AIR WISCONSIN NEGOTIATIONS UPDATE**

The Union has been notified that Mediator Mrs. Victoria Gray has been assigned to continue negotiations under the auspices of the National Mediation Board. We have begun discussions with Mrs. Gray to secure future dates for meetings between the parties. Once dates for future negotiations have been set by the NMB, that information will be communicated to the membership via a bulletin which can always be found on the District Lodge 142 website at [www.iamdl142.org](http://www.iamdl142.org).

We also have scheduled one last meeting with the Company to be held without the presence of the Mediator in an effort to clear some outstanding non-economic issues. This meeting will be held in Norfolk, Virginia on February 17 and 18. We will follow that meeting with a membership update as to the current status of the talks.

Please do not listen to rumors and always contact your committee members with questions. As always, we appreciate your patience during these negotiations and look forward to bringing you a fair and equitable agreement. With best wishes, we remain

Sincerely and fraternally,

James M. Samuel      Sean Ryan
