JULY 2010 NEGOTIATIONS UPDATE

With the current Agreement having expired on June 14, 2010 and currently covered under an extension until August 31, 2010 with full retro and benefits, I wanted to bring everyone current on the status of these negotiations. The Union has tried on several occasions to secure dates for negotiations beginning in late March and early April of this year to no avail.

Although the Union and the Company have formally agreed to extend the Agreement beyond the expiration date, meeting dates still have not been set for any time in July or August as of yet. A strong possibility exists that dates in August may not be scheduled due to availability of both the Company and me because of multiple contract negotiations for both parties coinciding at the same time. We do have other options available to us to bring this Company to the table and will utilize them if necessary.

We will begin face to face negotiations as soon as possible and I ask that everyone remain patient as this process plays out. I appreciate your continued support and look forward to bringing these negotiations to a successful conclusion with a fair and equitable agreement. Updates and bulletins on Avis Rent-A-Car and other District Lodge 142 activities can always be found on the Web at www.iamdl142.org. With best wishes, I remain

Sincerely and fraternally,
