CONTINENTAL FLIGHT ATTENDANT NEGOTIATIONS

Your negotiation committee met this week April 19 - 23, 2010 in the District 142 offices in Kansas City, Missouri.

The purpose of the meetings was to further develop, discuss and enhance presentations for the upcoming negotiation meetings. The committee reviewed the progress of our discussions thus far in light of recent industry developments and strategies for the next sessions which will be held next month.

Merger talks continue to surface throughout the airline industry. Only when there is definitive information available can merger issues be addressed. Please continue to monitor the District Lodge Web site, www.go142.org for all factual developments.

Sincerely and fraternally,
