DISTRICT 142 ANNOUNCES FORMATION OF COMMUNITY SERVICES COMMITTEE

Today we are proud to announce the formation of the Air Transport District Lodge 142 “Community Services Committee”. This committee is being formed to provide assistance to our membership when necessary in times of professional and personal crisis. The purpose of the committee would be to address our membership’s needs during sizeable layoffs, station or office closures, national disasters or other situations which develop and warrant the committee’s involvement.

We are requesting letters of interest to serve on this committee be submitted to the District office at the above address no later than April 16, 2010. We are looking to create a diverse group that will be trained to respond to our memberships needs when they arise.

Fraternally yours,

Tom Higginbotham
