ATLANTIC AVIATION - PNE NEGOTIATIONS UPDATE

We had two days of negotiations on Tuesday and Wednesday, August 16 and 17, 2011.

We made progress and managed to work our way through most of the remaining language concerning the non-economic issues. The next time we meet we will be discussing the economic issues and will put forward our proposal on pay increases and other benefit improvement the committee is looking to achieve.

We have scheduled the following dates and hope to have this resolved and have an agreement to put out for ratification after these sessions are completed: October 3, 4, 5, 25 and 26, 2011.

The committee appreciates the membership's patience and support during this process.

If you have any questions or concerns please communicate those through your shop stewards and negotiating committee members, Bobby Sullivan and Lori Giannone.

Sincerely and fraternally,

Michael Manzo
