## **IAM / AIR WISCONSIN NEGOTIATIONS UPDATE**

The IAM and the company convened again for negotiations last week under the auspices of the National Mediation Board and Federal Mediator Victoria Gray in Valencia, California as mandated by the NMB.

A large majority of the session was taken up with discussion and argument over costing models covering medical insurance and compensation in the form of base wages, premiums and longevity. The gap between each party's position has been narrowed to some extent, however more work is required. The parties are next scheduled to meet again in Valencia, California the week of May 30 and June 6, 2011.

If you have any questions about this meeting or negotiations, please do not hesitate to contact the committee or a shop steward in your station. Updates and bulletins on Air Wisconsin and other District 142 activities can always be found on the web at [www.iamdl142.org](http://www.iamdl142.org).

With best wishes, we remain

Sincerely and fraternally,

James M. Samuel                  Sean Ryan                  Jerry Lemke
