IAM/COMAIR AIRLINES NGP/PTO MEETING CLARIFICATION

A bulletin was released yesterday that contained information concerning the negotiation meetings with the Company being held next week and also containing information about the last PTO sub-committee meeting.

The date contained in that bulletin was **incorrect**.

The correct date and time for the meeting is Wednesday, June 22, 2011. The meeting will begin at 6:00 p.m. and is being held at the Hilton Hotel on Turfway Road in Florence, KY.

Included with this bulletin is also a one page handout from National Group Protection that will give you some more detailed information on the supplemental benefits they offer. It will also be available at the meeting. It is anticipated that the presentation being given by Paul Raymond will last approximately 20-25 minutes with a period for Q&A afterwards. These supplemental benefits are industry leading and reasonably priced, and if agreed to by the Company in negotiations, can be payroll deducted.

Both meetings are extremely important, and are a chance for any IAM member to participate in the negotiations process. Everyone should attend.

Details of all completed meetings and activities will be communicated via bulletin once completed. Everyone should remain engaged with your Stewards and Committeemen about these negotiations and please feel free to call me with any questions you may have. I can also easily be reached via e-mail at jsamuel@iamdl142.org.

Sincerely and fraternally,
