US AIRWAYS MECHANIC AND RELATED NEGOTIATIONS UPDATE

Dear Brothers and Sisters,

Your Negotiating Committee met, as scheduled, with the Company in Tempe, Arizona this week for Section 6 negotiations. The Company gave us an outline of the Articles they would like to address and the Union presented the Company with several proposals in a number of Articles that were non-economic in nature.

This approach is very typical in the early stages of this process. The negotiations committee also made a station visit to the PHX Hangar and met with the members on duty. Dates and locations for future negotiations were set for the week of March 21 and the week of May 2, 2011 in Tempe, Arizona.

Your support and solidarity throughout this process is crucial to achieving an acceptable agreement for the membership.

Fraternally,

Tom Higginbotham
