## IAM / AIR WISCONSIN COFPS XNA REVISED VOTING SCHEDULE

---

---

An issue has arisen driving a change to the ratification schedule communicated yesterday. Listed below is the corrected voting date and times for XNA:

<u>Station</u>	<u>Date</u>	<u>Time</u>
XNA	1/11/2012	10:00PM - 2:00PM

The remaining dates and times released yesterday remain unchanged. If there are any questions concerning these updated dates and times, please contact a Negotiating Committee member at [iamdl142@swbell.net](mailto:iamdl142@swbell.net). As a reminder, it is **important** that all members realize they **must be present** at a ratification meeting to vote on the Tentative Agreement.

With best wishes, we remain

Sincerely and fraternally,

Jerry Lemke
