IAM / BRITISH AIRWAYS NEGOTIATIONS SURVEY

We are scheduled to start negotiations on January 26 and January 27, 2012. The meetings will be held at the Company Corporate Headquarters at 2 Park Avenue, New York City.

Your Negotiating Committee has decided that they would like to conduct a survey to determine the issues that are most important, to you, the membership. This will enable your negotiating committee to address all of the issues that are important to you, the membership, in the upcoming negotiations for a new Collective Bargaining Agreement.

You will access the survey by going to the District 142 website: <http://www.iamd142.org/>

Once on the site you will click on the link that says: **British Airways Contract Survey**

Please follow the instructions and complete the survey. The survey will be open until February 29, 2012.

We look forward to your continued support and solidarity as we work our way through negotiating your next agreement. Please do not listen to rumors. If you have any questions please contact your local shop stewards or contact the members of your negotiating committee.

Once we have exchanged proposals copies of both the Company proposals and the Union proposals will be emailed to the shop stewards at all locations to be distributed to the members.

Sincerely and fraternally,

Michael Manzo
