### FLYTELE/BRITISH AIRWAYS NEGOTIATIONS UPDATE

Sisters and Brothers,

The negotiation session that was scheduled for January 17 and 18, 2012 has been cancelled due to a scheduling conflict with the Union committee. Both committees are still committed to meet on January 30 and 31 2012 in JAX. The parties are also looking at dates for February 2012, once those have been set we will communicate that information to the membership.

**RUMORS-** Without a doubt contract negotiations are a time that will see an increase in rumors and speculation to what the future will bring. In some cases the managers will fuel these rumors with no knowledge of what is being discussed at the table. In others our own members spread rumors without any facts. Engage your Shop Stewards and Negotiating Committee for the facts and refer to the District 142 web site [www.iamdl142.org](http://www.iamdl142.org)

Thank you for your continued support and solidarity, it is very important as we move this process forward.

In Solidarity,

*Sean Ryan*
