**IAM/ AIRTRAN REPRESENTATION TRANSFERRED TO DISTRICT LODGE 142**

We have been advised by Transportation GVP Sito Pantoja the responsibility of representation for the IAM/AirTran employees is being transferred to our District. We welcome this decision and look forward to both continuing to provide the representation the AirTran members expected when they voted to have the IAM represent their interests as well as making them part of the District 142 family.

This action will allow a more direct involvement on our part as the AirTran Crew Members become Southwest Customer Representatives and Customer Services Agents.

As more information becomes available you will be advised.

Fraternally yours,

Tom Higginbotham
