IAM / EXPRESSJET AIRLINES TENTATIVE AGREEMENT REACHED

Your negotiating committee has reached a tentative agreement with the company which will provide economic relief to the carrier while leaving Flight Attendant rates per hour; per diem and most life style issues untouched. We believe this action to be prudent given the economic condition of the carrier. Stipulations in this tentative agreement also provide a vehicle for your union to assure all employee groups are participating in economic relief to the carrier. Additionally, operational briefings regarding carrier performance will be provided to the Union on a regular basis going forward.

Your committee unanimously recommends ratification of this tentative agreement.

You will be provided a copy of the tentative agreement by the company no later than October 17, 2008

Ratification dates, times and locations for the CLE; EWR and IAH bases will be announced in the next several days.

Sincerely and fraternally,

Tom Higginbotham
