## **IAM / COMMUTAIR NEGOTIATIONS UPDATE**

---

Negotiations for the Flight Attendants at CommutAir continued April 29, 30, and May 1, 2009 in North Olmsted, Ohio. The Union and the Company resumed discussion on Uniforms and Training. Significant progress was made this week on both sections. With each session the Union is getting closer to completing negotiation of a contract that will be ratified by the flight attendants. While the parties agreed to additional dates and will continue negotiations in June we expect thereafter to meet on a more frequent basis.

The Union is working to reach an agreement in a methodical and yet expeditious manner. Your support is essential to reach such an agreement. We will update you with future developments as they occur.

Thank you for your solidarity and support.

Fraternally yours,

Brian Wozniak                      Randy Hatfield
