**CONTINENTAL FLIGHT ATTENDANT  
NEGOTIATION UPDATE**

---

The Negotiating Committee met in Denver, Colorado with Continental Airlines for contract negotiations daily from August 16 through August 27, 2010.

With an ever-changing landscape and the eminent possibility of a merger, it is critical that we preserve and protect our future.

The Negotiating Committee's goals were clearly defined by the membership; focus is on pay, pension and our job security and job flexibility. The committee has successfully worked through many sections of the contract and is well on the road to securing an agreement.

The following sections were addressed and discussed during this two week session as well as the meetings in July: Section 2 - Definitions, Section 3 - General, Section 4 - Compensation, Section 5 - Scheduling, Section 6 - Required Meetings and Training, Section 7 - Travel Expenses, Section 8 - Vacation, Section 9 - Sick Leave, Section 10 - Medical Examinations, Section 15 - Uniforms, and Section 24 - Benefits.

The next session of negotiations will begin the week of September 20, 2010. All of us thank you for your continued support and encouragement during contract negotiations 2010.
