CONTINENTAL MICRONESIA UPDATE

As a result of the May 3, 2010 announcement of the proposed merger between Continental and United questions and uncertainties prevail. Presently there are more questions than answers.

You should be mindful that Continental Micronesia is a wholly owned subsidiary of Continental Airlines.

While all the press and most of the public discussion has centered on Continental Airlines/United Airlines I want to assure you any and all actions taken by the IAM regarding this proposed merger include the representation of your careers and your Collective Bargaining Agreement at Continental Micronesia.

District Lodge 142 is forming an internal "Merger Committee". A Continental Micronesia Flight Attendant will be a member of that committee.

A meeting with Continental Airlines management is being scheduled wherein we can begin the process of obtaining answers to the many questions that exist.

For factual information regarding this proposed merger go to the IAM flight attendant web site, www.go142.org.

Sincerely and fraternally,

Tom Higginbotham

GENERAL CHAIRPERSON
