## **CONTINENTAL MICRONESIA, INC. UPDATE**

---

Today Continental Airlines announced its intention to make application for a single Part 121 operating certificate, combining the operating certificates of Continental Micronesia and Continental Airlines. This action begins the process of combining the operating certificates of all three airlines, Continental Micronesia, Continental and United.

This announcement has no immediate impact to the Continental Micronesia operation and most importantly to the Flight Attendant collective bargaining agreement. As more information becomes available you will be advised.

Sincerely and fraternally,
