EXPRESSJET FLIGHT ATTENDANTS UPDATE

As we reported in last week's *DL 142 Weekly Update*, the company advised that while ExpressJet will have more flight hours, the flying will be redistributed. On November 4, 2010, ExpressJet reissued *CIL 10-065 System Vacancies* announcing that staffing adjustments are necessary in the ExpressJet system to meet fleet rationalization objectives. This will result in an increase in staffing (permanent vacancies) in ORD and a reduction in staffing of 75 flight attendants in IAH.

Potentially affected flight attendants, as listed in *CIL 10-065*, should follow the company's instructions on how to submit their domicile preference using the Permanent Vacancy Request Form, (found at www.xjt.com, Inflight, Online Forms, Permanent Vacancy Request Form). Awards will be posted via *CIL* on November 25, 2010 and will be effective the January 2011 bid period.

Please read the Q&A attached to *CIL 10-065*, and review **Section 12 – System Furloughs and Domicile Reductions**, of the CBA (contract), which details your contractual rights during a domicile reduction and see a union representative if you have questions or need assistance.

We understand that this is a disruptive and stressful situation for all concerned and we are committed to helping you through this period.

Sincerely and fraternally,

Kate Romanusky Randy Hatfield
