ERJ IAD CLOSING BULLETIN

As you know the Company announced the closing of the ERJ IAD base today. Please be advised that your rights under the contract will be protected throughout this process.

We have an outstanding grievance regarding the Company not providing positive space travel that is outlined in the contract and should be provided to displaced flight attendants. This grievance has been appealed to arbitration and we are still actively seeking a resolution with the Company.

Please review Sections 11 and 12 of the contract to review the process for base closures, displacements and vacancy awards. If you have any questions please contact Khalisha Meekins at iamkhalishameekins@gmail.com or (404) 337-3576.
