## **ALLIED AVIATION - SAT TENTATIVE AGREEMENT RATIFICATION**

---

There was strong participation of eligible members that voted on the Tentative Agreement today at Allied Aviation. All voting members had the opportunity to ask questions about the agreement prior to voting.

After the tellers conducted the voting and the tally, the results were overwhelming in favor to accept the tentative agreement.

The document will be submitted for signatures and implementation as soon as practical.

Thank you for your support and endurance during these lengthy negotiations.

Respectfully your negotiations committee,

Debbie Aven
