CRJ PBS UPDATE

We have been made aware that some reserve schedules were published without the contractually allotted 10 minimum days off and in some cases even without the FAA mandated 8 days off. We are working with the Company to ensure this issue is corrected and should be completely rectified very shortly.

Also, there have been reports of min day credit not reflecting on Flica. This is also something we are working with the Company on and expect to be corrected in a timely manner.

If you have any questions or concerns please contact Marche Johnson Cooper at marchecoopr@yahoo.com
