ATL AREA FLOODING

Atlanta is currently experiencing intense rainfall, which is causing flooding and impassable roads in some areas.

Under the CRJ CBA you are protected under Section 28.O. The Company is obligated to work with you for the purposes of removing him/her from scheduled duty if your home/domicile is involved in a natural disaster. Each situation is evaluated on a case by case basis for attendance policy applicability.

For ERJ flight attendants in the Atlanta area the CBA protects you under Section 3.W.2.b., if you are unable to report to work due to hazardous or impassable roads resulting from severe weather you will not be assessed with an attendance occurrence.

Please provide as much documentation as possible to show the hazardous or closed roads in your area, such as news reports or pictures.

As always please put your safety first and if you have any questions or concerns please contact your local grievance representative.

In solidarity,

Sara Gonzales
