EXPRESSJET JUMPSEAT BULLETIN

We continue to seek new ways to fight back against the current one-sided jumpseat policy that United has implemented. But our greatest strength lies in our solidarity. We need your help to show what a huge issue this is and how it is not only negatively impacting your daily lives but also the operation.

Attached is a PDF form that you can print and bring with you to fill out when you are denied the United jumpseat on your commute. Also, if you know of specific instances in the past, where you were not able to get on a flight you can fill the form out retroactively as well. You should include any and all supporting documentation (such as receipts for paid tickets, etc...) and don't forget to fill out the comments section if you had to purchase a ticket, use your commuter clause or if a flight you were supposed to operate had a delay or cancelation as a result of being denied the United jumpseat. All representatives will be receiving copies of these forms to have available to you. Please keep them on hand and follow the submission instructions on the bottom.

Thank you for helping us fight for jumpseat equality.

In solidarity,

Sara Gonzales
