---

---

With the recently reached Tentative Agreement, a ratification vote will occur on Wednesday February 10, 2016. At the ratification meeting, all members will have an opportunity to have any and all questions answered and the opportunity to cast their vote. These times should allow for everyone who is scheduled to be at work on those days the opportunity to vote on the Tentative Agreement either before, during or after their shift concludes.

**Times and locations of the voting are:** On property in the upstairs conference room 6am- 3pm. If the ratification vote falls on your day off, you **must** come in to vote. There are **no** provisions for absentee balloting during the contract ratification process.

Copies of the Tentative Agreement have been printed and they are available through your negotiating committee.

Your negotiating committee recommends that the membership support this Tentative Agreement with a **YES** vote.

Sincerely and fraternally,
