PERFORMANCE PLUS ERROR

Upon notification from several of our members that they had not received their Performance Plus payout, we immediately addressed this with the Company. This issue has affected approximately 70 of our members, and once we called it to the Company's attention, it was determined that those who were hired after July 2014 had wrongfully been left off. The Company will be correcting this payment on Friday, February 5, 2016. If you have not received your payment today, please email MJohnson-Cooper@iamDL142.org and we can confirm that you will be included in the payout on Friday.
