- Meal Period: We have exchanged this proposal with the company and plan for it to coincide with the Hours of Service article.
- Hours of Service: We have exchanged multiple proposals on this article and the parties have narrowed the gap in our positions.
- Shift Swaps: We exchanged additional proposals with the company on this article, which is currently found in the IAM contract under "General and Miscellaneous Article". The parties have made progress toward a tentative agreement.
- MCT Hours of Service: We exchanged additional proposals with the company on this article.
- MTS Hours of Service: After receiving the company's first proposal on this article last week, the MTS subcommittee was brought in to assist the committee in crafting specific language for this group and have responded to the company's proposal.
