SWISSPORT – PHX NEGOTIATIONS UPDATE

Your Negotiating Committee met this week in order to prepare our proposals for face-to-face negotiations with the Company. While we did not meet with the Company this week we have secured dates to meet with them May 23-27, 2016.

Your continued support of the Committee is key as we begin face-to-face negotiations. To show your support of the Union and your Negotiating Committee please sign a Union membership application and return to your Shop Steward. Your Shop Stewards will begin to pass out these applications. Remember only those that apply for Union membership will be allowed to vote.
