EXPRESSJET FLIGHT ATTENDANTS NEGOTIATION UPDATE

Your negotiation committee met with ExpressJet the week of December 11, 2017 in Washington DC.

After much dialogue regarding compensation and parity we remain disappointed that the company was not prepared to negotiate an agreement that you could be proud of.

Some of the major difficulties we are encountering continue to be the differences in the two pay scales and the current financial position of the company. While we were not able to come to an agreement this session we continue to explore creative solutions to this issue.

The mediator has not assigned any future dates; however, your committee has once again made it clear to the company that we are prepared to meet with or without the mediator to negotiate a joint CBA and complete a merged seniority list.

It is important now more than ever to remain in solidarity. **Solidarity is Victory!**

Negotiations updates can be accessed at: www.iamDL142.org or on the IAM ExpressJet App which can be downloaded by searching IAMAW on your App or Google Play store.
