## OPENSKIES UPDATE

---

Sisters and Brothers:

While we have been able to reach an agreement in principle regarding your severance package, we are still finalizing the agreement and appreciate your patience. We have been in constant contact with the Company for the last weeks in trying to finalize the agreement because we understand you do need to be able to plan for your future. We are hoping to have another update for you within the next day or two.

Thank you again for your patience.

In solidarity,

Sara Gonzales
