

## Ratification Details

Question and Answer sessions will occur alongside with voting. Negotiators will be present in each location to explain all changes made, and available to answer questions.

**Only members in good standing** will be allowed to participate in the ratification process.

Members will be able to vote in any location; however, everyone must have a Company badge or government issued picture i.d..

There is no provision for absentee ballots under the IAM Constitution. Members must vote in person.

For Contract Service Leads who do not work in one of the locations listed below, the Company is making accommodations to vote in person in another location. If, for some reason, a Contract Service Lead is unable to vote in person at one of the listed locations, please contact General Chair Jeff Tobius to make other arrangements.

Ballots will be overnighted to the District Lodge at the end of each voting day. Executed ballots will be clearly marked so the envelopes will remain sealed until the vote tally begins once all ballots are received.
