**DISTRICT #142**  
**SCHOLARSHIP DEADLINE EXTENDED**

---

---

Due to the on-going issues surrounding the Coronavirus pandemic, the District has decided to extend the deadline to April 15<sup>th</sup>. All submissions must be postmarked by that date. In addition, we will waive the requirement to have a local officer sign the application - we are able to confirm eligibility at the District office.

We encourage all members to participate and wish everyone good luck!

Fraternally,
